

Year 2 Autumn 2 2020-21

Mrs Snowden, Miss Nelson

Welcome to Year 2.

Homework

Due to the current circumstances, we are trying to limit the volume of resources being sent and brought back into school so homework is as follows:-

- Please continue to hear your child read as often as possible and continue to record this in the Reading Record Book. 5/10 minutes every day really makes a difference. When your child wishes to change their book please turn their name card to yellow. The children need to read at least twice a week at home with an adult.
- Spellings will also be sent home on Friday and your child will be tested the following Friday. (Again, the spelling sheet does not need to be brought back to school.)
- If you have access to the internet you could try the activities set in Spelling shed and games on Hit the button

Timetable for the week

PE will be on Wednesday morning with Mr Clarke.

Spelling test is on a Friday.

In year 2 your child will need to bring the following to school:

- Reading book bag every day
- PE kit that will stay in school for a half term (including PE pumps or trainers). Please ensure your child's name is in all their PE kit.

Website/twitter

Check out our class page on the school website and our twitter account to see what year 2 have been doing.

thorpeprimary.org.uk

twitter.com/thorpebradford

The children's spelling shed logins will be stuck in their reading records.

[Hit the button](#) is a free internet game that children can play to practice their Maths (number bonds to 10/20, doubles and halves).

www.topmarks.co.uk/maths-games/hit-the-button

This half term Year 2 will be studying a science topic. The science topic is called Growth and Survival and focusses on what animals, including humans, need in order to grow, thrive and survive. They will explore the life cycles of various animals and investigate how young develop into adults, looking specifically at what humans need to live a healthy life.

The other subjects are as follows: -

	Autumn 1
English	Stories with familiar settings Instructions Poems
Maths	Number and place value Number - addition and subtraction
Topic Themes	Growth and Survival (Science)
Computing	Programming E-Safety
RE	Our World
PSHCE	Our happy School
PE	Gymnastics

If you have any further questions, please do not hesitate to come and speak to myself or anyone on the year 2 team. Thank you for your continued support, we look forward to working with your child this year.

Year 2 team (Mrs Snowden/Miss Nelson)
