We Care!

## Welcome Back!

It had been such a joy to welcome everybody back this week! The children have all settled back into school life and have been keen to impress their new teachers. This week, there has been a huge focus on positive behaviours in and out of school. The staff have been giving many house points to the children in order for them to receive a whole class treat or contribute to their individual houses for a half termly treat. It is vital that you support us on this journey as together, we can make such a positive influence on your child's life. Well done to all involved and let's keep moving forward together!

## Bradford City

We have received an offer from Bradford City that allows our children and parents to attend some games for £3 per adult/child. Watch this space for the games we receive offers for to support our local football club!

## Safeguarding and Child Protection

Our designated safeguarding officers are: Mr Mennell, Mr Dawson and Mrs Fletcher. For any child protection concerns or any concerns of a sensitive nature, please come and speak to any of the members in our team and we will be more than happy to support you with these.

## Breakfast Club

Some of our parents have been enquiring about the return of Breakfast Club. Early next week, we will be sending out an expression of interest form to find out if there is enough interest to reopen a Breakfast Club. If it is of interest to you, all you will need to do is return the form to a drop box in the office.

## Her Majesty the Queen

It is with great sadness that Buckingham Palace announced the passing of Queen Elizabeth. We have now entered a period of national mourning that will continue until the end of the state funeral. We have done some PSHE work with the children and will support anybody who may need so through these times. **On Monday 19th September, school will be closed for the funeral.** Take care of yourselves, and each other.

Mr P. Mennell
