Year 6- Lucas

MACMILLAN COFFEE MORNING

We are proud to support Macmillan Coffee Morning, this Friday 29th September. On this day, we will be serving coffee and cake in the hall to raise money for this charity. All items will cost 50p, we kindly ask for donations from our families that can be brought in on Wednesday and Thursday that we can sell. Children will also have an opportunity to purchase cakes as well during the day. Anything that isn't sold will be available at 1.35pm on Friday.

CYCLE OR SCOOT TO SCHOOL

Get ready to pedal and scoot your way to school this week! It's a wheels-on-the-go kind of week for our little riders. For EYFS and KS1, you can park your bikes and scooters in the outdoor classroom by Reception. And for our older students in KS2, you can safely store your wheels in the Breakfast Club room. So, dust off those helmets, check your brakes, and join in the fun as we roll and glide to school together!  Let's make this week a wheely good one!

DINNER MONEY ARREARS

A friendly reminder to those who have outstanding dinner money arrears. Timely payment is essential to ensure we can continue providing nutritious meals for all students. If you have any difficulties making payments, please contact our school office to discuss payment arrangements.

RECEPTION LUNCH WITH PARENTS

We are thrilled to share that the Reception Parents' Lunch was a resounding success! It was heart-warming to see our Reception students enjoy a special meal with their parents, creating cherished memories together. We want to extend our heartfelt thanks to Miss Brooke Catering for preparing such delicious and wholesome meals for our families.

10/10/23- World Mental Health Day

Parent's Evening- To be Confirmed in Autumn 2 term.

JEANS FOR GENES

We would like to extend our thank to all families that donated money on Friday of Jeans for Genes day. We managed to raise £75. It was fantastic to see so many children wearing denim to school in support for this great cause.

SAFEGUARDING/ CHILD PROTECTION

Our designated safeguarding officers are: Mr Mennell (Designated safeguarding lead), Mrs Fletcher, Mr Mackinnon and Miss Webb. For any child protection concerns or any concerns of a sensitive nature, please do come and speak to any of the members in our team and we will of course be more than happy to help.

FINES FOR HOLIDAYS DURING TERM TIME

We want to remind you that taking holidays during term time can disrupt your child's education. It's important to plan family vacations during school breaks to avoid fines and minimise disruptions to your child's learning. We adhere to government guidelines regarding term-time holidays and may issue fines to parents who take their children out of school.

SMOKING AND VAPING

The school site is completely non-smoking. We have had reports of people using vapes on the site and we politely remind you that this is not allowed.

Thank you for your continued support,

Mr Mennell
