We hope this newsletter finds you well and ready for another exciting week at Thorpe! We have a range of events and updates to share with you, so please see information below:

#### **Easter Disco Reminder:**

We kindly remind parents to ensure they return the Easter Disco letter if you haven't already done so. Our Easter Disco promises to be a hopping good time, and we wouldn't want any of our children to miss out on the fun!

#### **Comic Relief Dress-up Day:**

Next Friday, March 15th, we'll be joining the nation in celebrating Comic Relief! Children are invited to come to school dressed in their brightest red attire to support this wonderful cause. Let's paint the school red and make a difference together! If you would like to make a donation, please send your child with 50p or £1. This donation will go directly to the charity.

#### **Science Week Extravaganza:**

Get ready for an exciting week ahead as we dive into the world of science! Starting next week, we'll be hosting a range of captivating activities to celebrate Science Week. From fascinating experiments to hands-on demonstrations, it's bound to be an educational adventure for all our young scientists.

#### **Gratitude for Afternoon Tea:**

A heartfelt thank you to all the families who contributed to making our recent afternoon tea such a delightful success. Your generosity and support truly made the event extra special, and we're immensely grateful for your kindness.

#### **World Book Day Celebrations:**

Kudos to everyone for their fantastic participation in World Book Day celebrations this week! It was an absolute joy to see our children and staff dressed up as their favourite literary characters, igniting their love for reading and storytelling.

#### **SAFEGUARDING/ CHILD PROTECTION**

Our designated safeguarding officers are: Mr Mennell (Designated safeguarding lead), Mr Mackinnon (Assistant Headteacher), Miss Webb (Assistant Headteacher) and Mrs Fletcher (Pastoral Lead). For any child protection concerns or any concerns of a sensitive nature, please do come and speak to any of the members in our team and we will of course be more than happy to help.
