We hope this newsletter finds you well and ready for another exciting week at Thorpe! We have a range of events and updates to share with you, so please see information below:

Community Safety and School Protocol:

We understand that recent local events may have raised concerns within our community. We want to reassure you that the safety and well-being of our students are our utmost priority. We have been in close communication with local authorities, and they have informed us that they had heightened their presence at the start of the week in the area. When I rang the police, they explained that schools would only be contacted if there were any safeguarding concerns nearby, to which I have received no communication. Please could you refrain from showing your child any videos that may cause distress and lead to any heightened rumours.

Disco Letters:

Please could you return the disco letter by no later than next Friday if you wish for your child to take part. We wouldn't want any of our eager dancers to miss out on the fun!

Morning Entrance Protocol:

We've noticed that there has been some confusion regarding morning entrances. Please ensure that your children are using the correct entrance in the morning. The main reception entrance should only be used in exceptional circumstances, such as arriving late or in organised circumstances. Thank you for your cooperation in this matter.

Easter Competition:

We're excited to announce our Easter festivities! On the last day of this half-term, we will be hosting an Easter bonnet competition for Reception/ Key Stage 1, and a decorate-an-egg competition for Key Stage 2. Get your creative hats on, and let's make this a memorable celebration!

Parent's Evening:

Keep an eye out for the parent's evening letter, which you will be receiving today. Your prompt response in returning these letters would be greatly appreciated.

Bradford City Penalty Shootout:

Exciting news! Next half term, we will be hosting a Bradford City penalty shootout event with none other than Billy Bantam! Keep an eye out for further details in an upcoming letter.

Magic Breakfast Partnership:

We're thrilled to announce a partnership with Magic Breakfast to provide a bakery breakfast for every single child across the school every morning! We will be back to you shortly with a specific date of when this will commence.
