We hope this newsletter finds you well and ready for another exciting week at Thorpe! We have a range of events and updates to share with you, so please see information below:

Wall of Fame Appeal:

We're in the process of creating a 'Wall of Fame' within the school to celebrate the achievements of our pupils, past and present. We're on the lookout for copies of pictures or stories showcasing success stories from our students. Whether it's accomplishments in sports, successful career journeys, award winners, or even stories of valor from war veterans, we'd love to feature them. Pictures need not be framed, as the school will take care of that. However, a small description accompanying the submission would be immensely helpful. If you know of anybody who fits the bill, please don't hesitate to reach out to us.

Year 1 Bake Sale:

This coming Wednesday, our Year 1 students will be hosting a bake sale with a noble cause at heart. They're raising funds for orangutans as part of their learning about the decline in their population. Treats will be priced at 50p per item. Your support in this endeavour would be greatly appreciated, and it's a fantastic opportunity for our young learners to engage with conservation efforts.

Magic Breakfast Update:

We're thrilled to announce that our Magic Breakfast initiative has been a resounding success this week! Starting next week, your child can expect crumpets on Monday, Tuesday, Thursday, and Friday, with toast making its appearance on Wednesdays. We'll keep you posted if any changes arise as we are in contact with the company to ask for more variation.

Penalty Shootout Sponsorship Forms:

A quick reminder that sponsorship forms for the penalty shootout fundraiser should be handed in by Monday. We'll be revealing the exciting prizes at the end of next week.

Winner

House Team Winners- Sapphire:

Congratulations to the Sapphire House Team for clinching the top spot in last half term's house points tally! As a reward, they're invited to come into school on Wednesday dressed in their own clothes.

We've had an exciting week yet again with some fantastic learning happening throughout school.

Year 5 on their school trip, learning all about water filtration & how technology has advanced throughout the years!

A fantastic hands-on experience for our children as they learn about the wonders of life cycles with real chicks.

Thank you for your continued support,
